COVID VISITATION POLICY Updated 2022

Please be aware that the guidelines which are in place for Staff and 3rd Party providers of Bayshore Guest Home and Gardens, as well as any Independent Contractors or other visitors are as follows:

- 1) Educate visitors on the infection control policies of the facility upon arrival
- 2) The person's temperature will be taken prior to entry into the facility and this will be logged; Anyone with a temperature greater than 99.6 degrees will be denied access
- 3) Masks are required while visiting all Residents. Masks are to be worn fully covering the nose and mouth of the person. Washing hands and wearing gloves are required while visiting residents
- 4) The Owner, Monica Dowhan, is the designated person responsible for staff adherence to visitation policies and procedures
- 5) Visitation is allowed until 8pm each evening. Visitation beyond this point requires the Owner's approval. Visitation permitted up to four hours, beyond four hours requires Owner's approval for containability
- 6) Each resident may have four visitors at a time. Visitors beyond this level requires Owner's approval for containability
- 7) Visitors cannot be compelled to provide proof of vaccination or immunization status
- 8) Visitors are permitted to have consensual physical contact with a visitor
- 9) Should a visitor become covid positive within 48 hours after visiting the facility, they are to notify the Administrator
